Narrative Description of School District Proposal

What action is the school district proposing to take? The school district is proposing an Individualized Education Program (IEP) Amendment to add information from a recent evaluation to the student's IEP.

Why is the school district proposing to act? A Team meeting was held on September 29, 2026 to review the written language evaluation. At the meeting, the Team reviewed the evaluation results, teacher and staff input, recent school performance, and parent input. The Team decided the evaluation results are relevant to the student's current needs and must be referenced in the IEP.

What rejected options were considered and why was each option rejected? There were no rejected options considered by the Team.

What evaluation procedure, test, record or report was used as a basis for the proposed action? The Team used the Test of Early Written Language, Third Edition (TEWL-3), as well as classroom teacher input, staff input, recent school performance, and parent input.

What other factors were relevant to the school district's decision? Other factors included prior records and recent school performance.

What next steps, if any, are recommended? The school district is proposing an IEP Amendment which changes the Present Levels (Academic) section of the IEP. Attached you will find a copy of the proposed IEP Amendment and an Amendment Signature Page. Please review it, check the appropriate box, and return it to the Student Services Office at 2 Office Lane, Anytown, ST 00000, or by email to records@sample-district.example.

You have 30 calendar days to review and consider the document, but please be aware that no changes can begin until the district has a signed copy of the document. If you have any questions, please contact school staff or the Student Services Office.
